

HP Dual Serial USB Thermal Receipt Printer

The HP Dual Serial/USB Thermal Receipt Printer is the ideal single station thermal printer for retail environments. Its fast print speed, compact size and long life expectancy mean optimal performance for Retail Point of Sale applications. It features a large 90mm paper roll capacity and is the ideal printing companion for the HP rp3000, rp5700 and ap5000, Point of Sale Systems. It also works seamlessly with the HP Cash Drawer (Model No. FK182AA).

- Compact size maximizes POS space
- Two color or monochrome thermal printing
- 4 MB Flash Memory for custom tasks (add store logos, offer promotions, highlight sales items, print coupons)
