

HP 12.5-in Privacy Filter

Help protect your notebook data from prying eyes with a privacy filter.

No compromises.

Retain your screen's crystal clarity through a filter that inhibits a direct view of your content from everyone but you and resists scratches and glare.¹

Easy application.

Use the included adhesive strips and side tabs for easy application, and reuse as needed if you swap between devices.

No cutting or resizing required.

Get a precise fit for your screen with a filter that doesn't interrupt access to your webcam.
