The MDP2DPDVHD Mini-DisplayPort to DisplayPort, DVI or HDMI Multifunction Adapter converts Mini DisplayPort (MDP) input to DisplayPort, DVI or HDMI output signals, all in a single compact adapter.

This multifunction adapter offers the unique ability to connect almost any display to your Mini-DisplayPort equipped PC or Mac, offering a perfect solution for business environments that have mixed display hardware - saving the expense of purchasing new displays for compatibility. A plug-and-play solution requiring no software or drivers, this Mini DisplayPort adapter offers a quick and simple installation for the utmost convenience and versatility.

Compatible with Intel® Thunderbolt™, when connected directly to a supporting DisplayPort over Thunderbolt™ I/O port.

\*actual product may vary from photos

## **Packaging Contents**

- 1 x Mini DP Multifunction Video Adapter
- 1 x Instruction Manual

## **System Requirements**

- DisplayPort enabled computer system with available Mini DisplayPort connector
- DisplayPort, DVI or HDMI enabled display device (e.g. monitor) with appropriate cable

### Installation

- 1. Connect the Mini DisplayPort connector on the video adapter to the Mini DisplayPort port on the host computer system. The computer system can be turned on or off (check documentation for the computer system for details).
- 2. Power on the display device.
- Connect the display device (i.e. monitor) to the video adapter using the appropriate type of video cable (sold separately).

**NOTE:** Only one video output is supported on the video adapter at a time. If multiple connections are made, only one of the outputs will function in order of: DisplayPort then HDMI then DVI.

Storage Temperature	-10°C ~ 80°C (14°F ~ 176°F)
Humidity	10% ~ 85% RH
Integrated Cable Length	150mm / 0.5ft
Dimensions (LxWxH)	79.0mm x 50.0mm x 16.0mm
Weight	64g

#### **FCC Compliance Statement**

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

#### Use of Trademarks, Registered Trademarks, and other Protected Names and Symbols

This manual may make reference to trademarks, registered trademarks, and other protected names and/or symbols of third-party companies not related in any way to StarTech.com. Where they occur these references are for illustrative purposes only and do not represent an endorsement of a product or service by StarTech.com, or an endorsement of the product(s) to which this manual applies by the third-party company in question. Regardless of any direct acknowledgement elsewhere in the body of this document, StarTech.com hereby acknowledges that all trademarks, registered trademarks, service marks, and other protected names and/or symbols contained in this manual and related documents are the property of their respective holders.

#### **Technical Support**

StarTech.com's lifetime technical support is an integral part of our commitment to provide industry-leading solutions. If you ever need help with your product, visit www.startech.com/support and access our comprehensive selection of online tools, documentation, and downloads.

#### **Warranty Information**

This product is backed by a one year warranty.

In addition, StarTech.com warrants its products against defects in materials and workmanship for the periods noted, following the initial date of purchase. During this period, the products may be returned for repair, or replacement with equivalent products at our discretion. The warranty covers parts and labor costs only. StarTech.com does not warrant its products from defects or damages arising from misuse, abuse, alteration, or normal wear and tear.

### **Limitation of Liability**

In no event shall the liability of StarTech.com Ltd. and StarTech.com USA LLP (or their officers, directors, employees or agents) for any damages (whether direct or indirect, special, punitive, incidental, consequential, or otherwise), loss of profits, loss of business, or any pecuniary loss, arising out of or related to the use of the product exceed the actual price paid for the product. Some states do not allow the exclusion or limitation of incidental or consequential damages. If such laws apply, the limitations or exclusions contained in this statement may not apply to you.
