

# N730K-1GD5LP/OCV1

**msi** Graphics Card

## Low Profile Design

- Low profile design saves more spaces.
- User can build slim or smaller system easier.

## All Solid Capacitors

- 10 years ultra-long lifetime (under full load).
- Lower temperature and higher efficiency.
- Extreme low ESR.

## Afterburner Overclocking Utility

- Support in-game video recording.
- Support wireless control by android/iOS handheld devices.
- Support built-in DX11 effect test.

## 3D Vision Ready

- Support for NVIDIA 3D Vision, bringing a fully immersive stereoscopic 3D experience to the PC.

### Product Specification

|                         |                         |
|-------------------------|-------------------------|
| Marketing Name          | N730K-1GD5LP/OCV1       |
| GPU                     | NVIDIA GeForce GT 730   |
| Codename                | GK208                   |
| Processors              | 384 Units               |
| Core Clock              | 1006 MHz                |
| Memory Clock            | 5000 MHz                |
| Memory Size             | 1024MB GDDR5            |
| Memory Bus              | 64 bits                 |
| Outputs                 | HDMI / DL-DVI-D / D-Sub |
| Power Consumption       | 30 W                    |
| Card Dimension / Weight | 145x69x20mm / 140g      |
| Form Factor             | Low Profile             |

### Technology Support

|                      |                                |
|----------------------|--------------------------------|
| Afterburner OC       | N/A                            |
| DirectX              | 12 API<br>(feature level 11_0) |
| OpenGL               | 4.4                            |
| Multi-GPU Technology | N/A                            |
| 3D Technology        | 3D Vision                      |
| HDCP Capable         | Y                              |

### Accessory

|                    |   |
|--------------------|---|
| Driver CD          | Y |
| Installation Guide | Y |
