

# Click-In iPad mini 4,3,2,1 Tablet Case - Black

THZ628GL

## Description

All round protection for your iPad mini– the Click-In case features a hard back cover, a shock absorbing tray which clicks securely around your iPad mini to protect the back and sides, and a durable front cover with a soft interior to protect the device screen. The case cover folds back to form a hands-free stand for easy viewing and comfortable typing. The Targus Click-In case is lightweight and ensures you are able to access all the ports and functions on your iPad mini. Choose from a range of case colours to coordinate with your hardware.

### All Round Protection

For your iPad mini, the secure cover closure and soft interior lining protect your iPad mini screen while on the go.

### Shock Absorbing SMART-FIT™

Tray fits securely around your iPad mini to provide front, rear and side form-fit protection.

### Durable Front Cover

Transforms into a multi-position stand for hands free viewing or a comfortable typing angle.

### Range Of Case Colours

To coordinate with your hardware: space grey, silver, gold and classic black.
