# E1759FWU

## 17
(43.8) LCD MONITOR

The 17.3-inch myConnect E1759FWU expands your viewing area with a single cable. The USB 3.0 connection provides super-speed data transfer plus acts as a power supply. This monitor includes a protective case for convenient portability wherever you need a second screen – ideal for meetings as well as entertainment. Smart features like the foldable stand and auto-pivot function make it nearly effortless to use.

USB

### USB hub

USB is one of the most common and convenient standards for connecting computers and devices to each other. Easily connect peripherals like a keyboard and mouse directly to your display, or hook up your camera and printer. It's also ideal for transferring data and copying files, plus you can charge your phone or other devices while you work.

### Three-Year Warranty

AOC stands behind the quality of each and every monitor with a generous three-year warranty starting from the original date of purchase. Within the warranty period, any AOC displays with manufacturing defects or faulty components will be repaired or replaced at no additional charge. Read the complete **AOC warranty** statement for more information.

### USB monitor

Discover the freedom and flexibility of AOC's myConnect USB monitors. A single USB cable connects your laptop to the directly to the display, completely eliminating the need for extra media cables and a power supply. The USB cable transfers data to the screen, plus acts as an energy-efficient power source. For work or play, these monitors offer optimal portability. Besides ultra-easy connectivity, the innovative stand offers you a variety of viewing options.
