# imagine the bigger picture

## Samsung Notebook PC R710

### Breakthrough Performance

Featuring state of the art Intel® Centrino® 2 processor technology, which delivers unrivalled system performance, enhanced energy efficiency and advanced connectivity to keep you working longer.

\* Centrino® 2 is based on factory specifications.

### Sharper Display

Conventional LCD

Super Bright Gloss LCD

Its 17" Widescreen display provides up to 30% more viewing area and allows you to enjoy photo-like image quality, greater viewing angles and better text legibility. While the integrated Webcam offers a simple way to keep in touch with friends or family, using live messaging.

### The Samsung R710 is ideal for all.

Its stunning design is complemented by a range of high performance features and an ultra sharp 17" widescreen display that turns even the most demanding and visually intensive tasks into a real pleasure. Weighing just 3.08 kg, the R710 is also one of the lightest 17" notebooks in its class. So, with its tremendous balance of price, performance and portability, the Samsung R710 is the perfect choice for everyone.

Imagine style. Imagine power. Imagine a touch of colour for an aura of excellence and sophistication. Our latest generation of notebooks advance Samsung's signature style with an ultra-sleek design and a deep rose red infusion that illuminates their piano-black, glossy finish.
