

Make Waves

Made to be different, CODA WAVE has four modes that let it flow like water, in any direction you want. Switch seamlessly from notebook to tablet to theatre to tent and meet your needs as the day rises, crests and breaks. Study or play, Netflix or chill, WAVE is a stylish, flippable laptop made to help you make waves.

Wave Goodbye to Limits

Go ahead and make your day. CODA WAVE has no limits, just like you. Convert your work to play with WAVE's Full HD 11.6-inch touchscreen. A versatile convertible laptop, that combines immersive multi-point touchscreen technology with a wide-angle 1080p resolution IPS display for complete clarity at all times.

Lightweight, portable and adaptable, CODA WAVE is the perfect backpack buddy for any adventure.
