Fast A3 and A4 colour printing for businesses that demand professional graphics quality

The compact C841 has a 1200 x 1200dpi print resolution enabling organisations to print with even greater sharpness of detail, rich vibrant colours and crisp clear text and fine lines.

You will benefit from fast print speeds up to 35ppm, high capacity 10k toners and low running cost with the additional superior quality of high definition colour printing to support your own business as well as your customers' requirements.

The C841 is built on tried and tested technology that your business can rely on to deliver over and over again, supported by a 3-year warranty.

High definition colour for superior in-house printing
