

Sleek and powerful

Rugged, space-saving All-in-One that drives productivity

Powerful and convenient, the M900z All-in-One is more ruggedly durable than ever, tested to MIL-SPEC for reliability even in the most challenging environments, whilst more than 30% thinner than the last generation. Power comes from the latest Intel® processor, improved memory and enhanced WiFi capabilities. Designed for convenience and productivity, the optional touch solution includes an industry first DisplayPort™ in and out combo port, an integrated handle for easy mobility, brilliant display with wide viewing angle and easy switching between external displays.

Lenovo™

WHY YOU SHOULD BUY THE LENOVO™ THINKCENTRE® M900z ALL-IN-ONE

Rugged and reliable

Tested to MIL-SPEC, this powerful All-in-One desktop is ready to handle even mission critical tasks or activities.

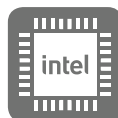

Designed for convenience

The space-efficient and 30% thinner All-in-One features an optional touch display, industry first DisplayPort™, Combo Port, etc.

Versatile connectivity

Enhanced WiFi and easy switching between connected displays – laptop or extended monitor – via a single access point.

Primed for performance

The latest Intel® Skylake processor with vPro™ and DDR4 technology delivers enterprise-level performance.

THE LENOVO™ THINKCENTRE® M900z ALL-IN-ONE IS BEST SUITED FOR

1

Businesses that require enterprise-level performance and manageability in a space-saving solution.

2

Businesses that want an All-in-One solution with features to drive productivity.

3

Businesses that need a durable All-in-One to perform in the most challenging environments.
