Designed to save you time
HP OfficeJet Pro 9000e All-in-One Series

Hassle-free productivity
Work fast and hands-free with the 35-page ADF. Take on high-volume jobs with two 250-sheet paper trays that fit a full ream of paper (9020e model).

High speeds
Finish projects fast with dual-pass, two-sided scanning (9010e). Capture both sides of a page at once, and scan at speeds up to twice as fast with the 9020 model.

Smart document management
Organize documents 50% faster with Shortcuts—the first print app that automates scanning tasks.[3,4]

The prints you want, fast
Produce business documents quickly with fast print speeds. Breeze through multi-page jobs with automatic two-sided printing.

Walk-up convenience
Print photos from a USB drive and scan to USB directly at the printer. Save time with the smartphone-style colour touchscreen. Make printing as easy as talking with HP Voice-Activated Printing.[10]

Freedom to work anywhere[3,4]

HP OfficeJet Pro 9000e All-in-One Series

Ready when you are
Simplify your day and connect to what you need—on your schedule—using cloud-based printing over Wi-Fi® through your cellular network.[11]

Printing just got more productive
Quickly access and print documents and images on your phone from Dropbox and Google Drive. Get the prints you need in just a few taps with the HP Smart app.[3,4]

Amazing scanning and copying from your smartphone
Scan and share to Dropbox, Google Drive, email, or the cloud—and make copies from virtually anywhere—with the HP Smart app.[3,4]

Smartphone notifications
Check ink levels and more when printing, copying, or scanning from your phone.[3,4] With the HP Smart app, you'll know if your printer is low on ink, out of paper, or requires attention.[3,4]

Enhanced security, reliable connections

HP OfficeJet Pro 9000e All-in-One Series

Ready to help protect business

Help keep your devices safe, your data secure, and your documents private. With enhanced security, these printers can help protect against viruses, malware, and unauthorized access.

Your reliable connection

Help reduce interruptions with self-healing Wi-Fi® that automatically detects and resolves connectivity issues.[9]

Extend your printing reach

Built-in wireless and ethernet capabilities let you easily access, print, and share resources on a network. Wi-Fi Direct printing lets you print directly from your phone—without accessing your network.[11]
