

# HP Notebook - 14-ck0005na (4AP71EA)

## Dependable power. Striking design.

Designed for long-lasting performance, this beautifully crafted laptop has an all-day battery that keeps you connected to what matters. Plus, its slim and sleek design makes it easy to take anywhere. Speed through tasks or sit back and socialize with the latest, powerful processors and a rich display.

### Slim. Stylish. Portable.

Thin, sleek and more stylish – this eye-catching laptop is easy to take anywhere. With its beautiful brushed finish and seamless bar hinge, the smartly designed HP 14" laptop looks as good as it performs.

### Responsive and reliable performance

Rely on long-lasting performance and an Intel® processor<sup>[4]</sup> for all your streaming, surfing, and multi-tasking needs.<sup>[5]</sup> Plus, extensive quality testing ensures it keeps up with your active lifestyle.

### Stay Connected and Entertained

Stay connected and entertained with a long-lasting HP Fast charge battery and visually rich display. Plus, easily store and enjoy your favorite music, movies, and photos with ample storage.

## Featuring

### High-definition display

See your digital world in a whole new way. Enjoy movies and photos with the great image quality and high-definition detail of 1 million pixels.<sup>[6]</sup>

### DDR4 RAM options

Designed to run more efficiently and more reliably at faster speeds, DDR4 is the future of RAM. With its higher bandwidth, everything from multi-tasking to playing games gets a performance boost.

### HP Fast Charge

When your laptop is low on power, no one has time to wait hours to recharge. Power down your device and go from 0 to 50% charge in approximately 45 minutes.

### SD and Micro SD card reader

Simply insert an SD or Micro SD card and increase your device's storage for more movies, photos, and music, or easily access any content you have stored on an existing card.

### Choose your color

Personalize your PC with your choice of color, for style that matches yours.<sup>[22]</sup>

No Recommended Accessories and Services

## Messaging Footnotes

[4] Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations.

[5] Internet service required and not included.

[6] High-definition (HD) content is required to view HD images.

[22] Colors may vary by region.

## Technical Specifications Footnotes

[5] Recharges your battery up to 50% within 45 minutes when the system is off (using "shut down" command). Recommended for use with the HP adapter provided with the notebook, not recommended with a smaller capacity battery charger. After charging has reached 50% capacity, charging speed will return to normal speed. Charging time may vary +/-10% due to System tolerance. Available on select HP products. See <http://store.hp.com> for a full list of product features.

[6] Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance. Intel, Pentium, Intel Core, Celeron, Intel logo and the Intel Inside logo are trademarks of Intel Corporation in the U.S. and other countries.

[7] Intel® Turbo Boost performance varies depending on hardware, software and overall system configuration. See <http://www.intel.com/technology/turboboost/> for more information.
