

ideacentre A540

POWER IN THE BEAUTY.

Powerful yet perfectly balanced. Feature-rich yet very practical. The eye-catching Lenovo™ IdeaCentre A540 is powered up by AMD Ryzen™ processors and packs a lot into its space-saving design. Thanks to high-performance processing, and vast storage, it's ideal for multitasking, entertaining, or gaming. You can also login with just a smile, wirelessly recharge your phone, and physically turn off the webcam. It all goes to show that, not all All-in-Ones are the same.

WHY YOU SHOULD BUY LENOVO™ IDEACENTRE™ A540

Ground-breaking, jaw-dropping

Form meets function with the space-saving IdeaCentre A540 inspired by the symmetry of the Cypress tree, the eye-catching All-in-One was designed to be balanced and strong - without ever sacrificing on performance. And just like a Cypress tree, the A540 will make an attractive addition to any home.

Why settle for anything less?

Designed for intense workloads and fast rendering the A540, powered by up to AMD Ryzen™ 5 processor, handles your most demanding apps which means less idle time and more time for creating.

Smart and functional

As well as being able to plug earphones and other devices into the stand, you can wirelessly recharge your phone by placing it on the base - even if your AIO is turned off. Thanks to an IR camera and Windows Hello, you can login with just your smile. And with TrueBlock Privacy Shutter, it's just as easy to turn off/on your webcam.

Immerse yourself

With up to 93% screen-to-body ratio and thin, narrow bezels, the A540 gives you less visual distractions and more to enjoy than a regular 24" display. And to enhance your viewing experience even further, simply opt for a model with FHD resolution. With certified JBL® by Harman® speakers and Dolby® premium sound, a truly immersive audio experience awaits you every time on the A540.

LENOVO SERVICES

Warranty Upgrades - On-site / In-Home Service

Maximizes PC uptime and productivity by providing convenient, fast repair services in your own home.

Accidental Damage Protection

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops or damage to the integrated screen.

Warranty Extensions (1-to-3 Years Total Duration)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment and potentially lower the cost of ownership over time.
