Power through the day

Delivers plenty of power to take on your day, thanks to the latest Intel[®] Apollo Lake processor.³ Get great connectivity, up to 32 GB of storage⁴, and up to 10 hours of battery life.²

The best of Chrome OS

Enjoy access to Android apps right on your desktop, also Google Assistant.¹ This Chromebook gives you the best of Chrome OS enabling you to go online easily, quickly, and securely.

¹ Android apps sold separately and not included. ² Based on HP internal testing. Depending on system configuration, your results may vary. Testing conducted by HP using Google Chrome OS power_LoadTest. Battery life will vary and the maximum capacity of the battery will naturally decrease with time and usage. See <http://www.chromium.org/chromium-os/testing/power-testing> for test details. ³ Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance. ⁴ For solid state drives, GB = 1 billion bytes. Actual formatted capacity is less. Up to 35 GB of system disk is reserved for system recovery software. Data is split across both drives and may become inaccessible in the event of a drive failure. ⁵ Use of the B&O PLAY logo as an icon will count against one of the only two allowable third party logos in IIP-reimbursable materials. To avoid negative impact on reimbursement we cannot use more than 1 additional third party logo besides B&O. Please be sure to follow the size restrictions as well.
