

EcoTank ET-M1140

DATASHEET / BROCHURE

With up to 11,000 pages' worth of ink, a three-year warranty and USB connectivity, this EcoTank is easy to use with a low total cost of ownership.

Mono EcoTank printer for business, with an extremely low TCO in a user-friendly, stylish and compact design. Print up to an amazing 11,000 pages with the included ink that comes in a bottle designed for mess-free, easy refills. A fast FPOT of six seconds helps to keep productivity high.

Save money

A high ink yield combined with Epson's economical inkjet technology delivers a low TCO and a competitive cost per page.

Save time

This reliable cartridge-free printer features an enhanced ink filling system and easy-to-use ink bottles, keeping intervention to a minimum. Thanks to the ink tank being positioned at the front of the printer, with a clear view of the ink levels, this new design is compact and provides easy access for refilling. Its fast First Page Out Time (FPOT) of six seconds from sleep, and 20ppm print speed, mean you won't be waiting around for jobs.

Save energy

Unlike a laser, our inkjet technology doesn't need any heat during the printing process, helping to keep energy use low and reduce electricity bills.

Connectivity

A USB port and a compact footprint mean that it's simple to place on a desktop and connect to a PC or laptop.

KEY FEATURES

- **Low TCO**
Keep your printing costs extremely low
- **High ink yields**
Print up to 11,000 pages with the included ink
- **Save time**
Fast FPOT
- **Low energy use**
Due to inkjet technology
- **Easy connectivity**
USB
