

EcoTank ET-M3170

Print, scan, copy and fax with this EcoTank including 11,000 pages' worth of ink, a three-year warranty, and Wi-Fi and USB connectivity.

Mono EcoTank printer for business, with an extremely low TCO in a user-friendly, stylish and compact design. Print up to an amazing 11,000 pages with the included ink that comes in a bottle for mess-free, easy refills. Wi-Fi and USB connectivity, and a fast FPOT of six seconds all help to keep productivity high.

Save money

A high ink yield combined with Epson's economical inkjet technology delivers a low TCO and a competitive cost per page.

Save time

This reliable cartridge-free printer features an enhanced ink filling system and easy-to-use ink bottles, keeping intervention to a minimum. Thanks to the ink tank being positioned at the front of the printer, with a clear view of the ink levels, this new design is compact and provides easy access for refilling. Its fast First Page Out Time (FPOT) of six seconds from sleep, and 20ppm print speed, mean you won't be waiting around for jobs.

Save energy

Unlike a laser, our inkjet technology doesn't need any heat during the printing process, helping to keep energy use low and reduce electricity bills.

Connectivity

Wi-Fi and USB connectivity and a compact footprint mean that it's easy to place on a desktop and connect to a user's PC or laptop.

DATASHEET / BROCHURE

KEY FEATURES

- **Low TCO**
Keep your printing costs extremely low
- **High ink yields**
Print up to 11,000 pages with the included ink
- **Save time**
Print, scan, copy and fax
- **Low energy use**
Low power consumption due to inkjet technology
