

ASUS Chromebook C423 / C523

Do more of everything

Flexible mobility for work and play

ASUS Chromebook C423 and C523 are the simple way to boost your productivity and have more fun on the move — all day and every day. The ultraportable and lightweight ASUS Chromebook is powered by up to a quad-core Intel® processor, and gives you the freedom of up to 10 hours battery life¹. It's also the first ASUS Chromebook to feature a NanoEdge design, which gives you a big screen in a compact chassis for easier multitasking and more immersive entertainment. Preloaded with the best of Google, ASUS Chromebook C423 and C523 are your gateway to the immense variety of apps on the Google Play Store² for work or play. With its speedy performance, robust security and convenient features, it's not only perfect for students — it's ideal for anyone who's always on the go!

Effortless mobility

Strong, Stylish and Light - Featuring a premium look and feel, with a profile that's just 15.6mm³ thin and using solid aluminum alloy to keep the weight down to just 1.2kg³, ASUS Chromebook C423 and C523 are designed to for effortless mobility. It's your take-anywhere companion that's always ready to go wherever your day takes you!

Work or Play, All Day - The power-efficient ASUS Chromebook C423 and C523 are designed to last for up to 10 hours on a single charge, so you can work or play throughout the day while you're on the move.

Simple and Secure

Do More with Your Fingertips - The optional 10-point multitouch display on ASUS Chromebook C423 and C523 make your experience even more intuitive. The display is also designed to be more accurate and responsive than conventional touchscreens.

Built-in Security Features - With its automatic updates and built-in anti-virus protection, ASUS Chromebook C423 and C523 free you from the worry of keeping your device safe, secure and always up to date. And as it's built on the rock-solid security of your personal Google account, all your private documents, emails, photos and confidential data are kept safe at all times.

Designed to do more

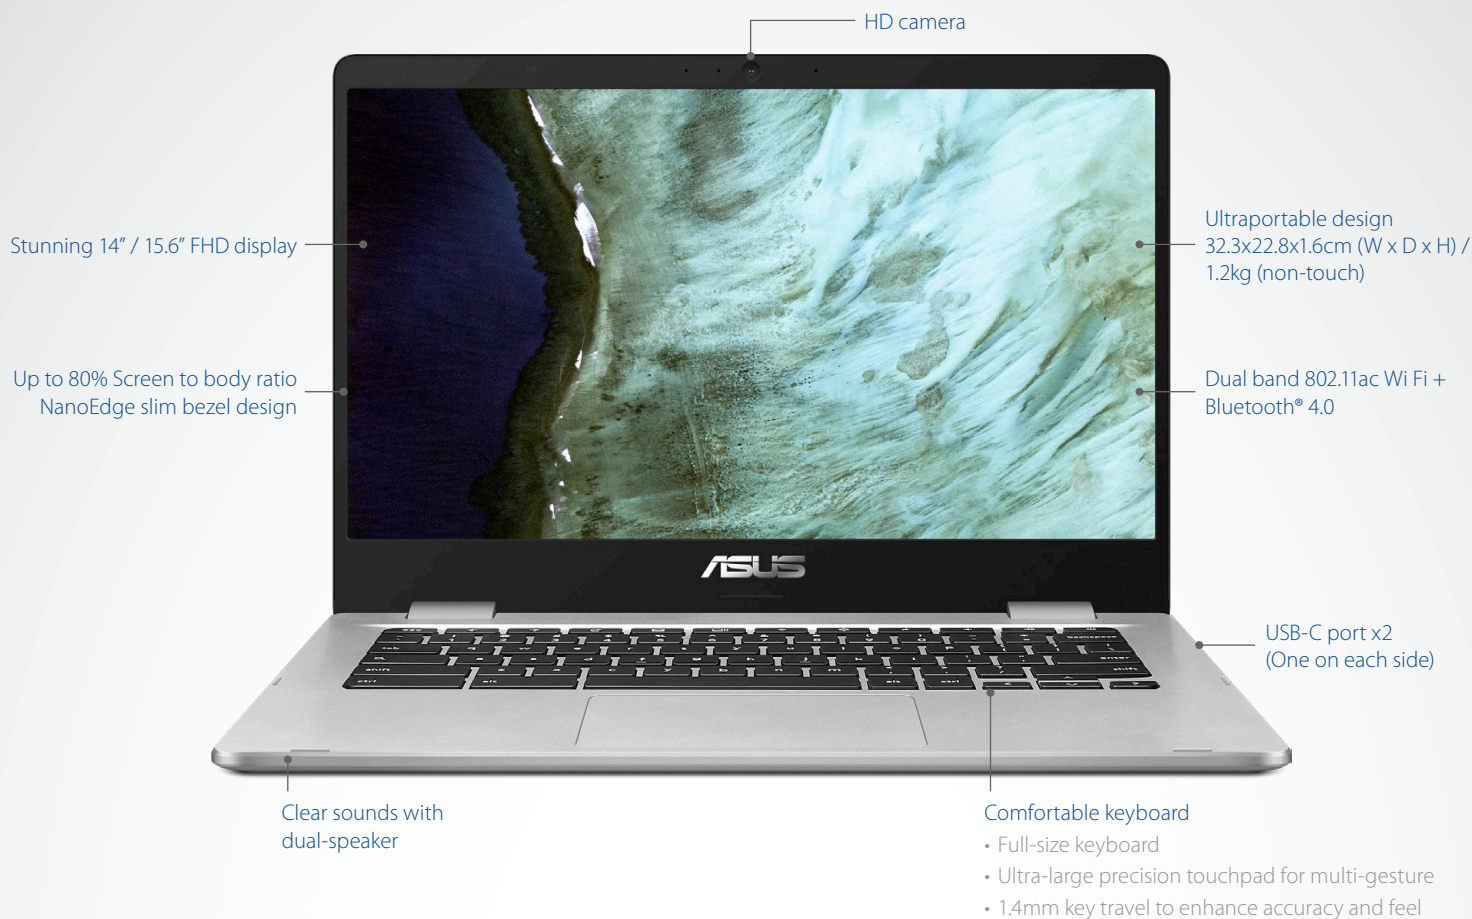

Strong, Stylish and Light - The stunning up to FHD NanoEdge display has an ultra-narrow 5.8mm³ bezel, and features a matte anti-glare coating³ to reduce annoying reflections. The result is a laptop with an impressive 80%³ screen-to-body ratio that minimizes size while helping you maximize productivity — so you can see and do more, while carrying less!

Breeze Through Your Tasks - Featuring powerful quad-core Intel® processors, ASUS Chromebook C423 and C523 deliver great performance for popular apps, with extraordinary battery life. Combined with the full power of G Suite and other productivity apps from the Google Play Store, ASUS Chromebook C423 and C523 let you breeze through all your everyday tasks on the go.

User-friendly design

Durable 180° Hinge - With its 180° hinge, ASUS Chromebook C423 and C523 can be laid flat to share content easily with friends and colleagues. Its unique, durable hinge design has been subjected to a grueling 20,000-cycle open-and-close test to ensure long-term reliability.

Extreme Typing Comfort - A full-size, ergonomic keyboard with 1.4mm key travel ensures supreme typing comfort. Typing on a compact device has never been this comfortable!

USB-C for ultimate flexibility

Two full-function reversible USB-C™ (Type-C™) ports make it easy to charge ASUS Chromebook C423 and C523 or connect it to devices and external displays. USB-C provides superfast data-transfer speeds — making it possible to transfer a 2GB movie to a USB drive in under 2 seconds⁴! For maximum convenience and compatibility, the ASUS Chromebook C423 and C523 also features standard USB 3.1 ports, and there's a microSD slot for adding more storage.
