

# **KODAK** Security Camera EP101WG

## Quick Start Guide

For detailed installation and setup, please refer to the Model EP101WG complete User's Guide available on our website :

[www.be-connected.com](http://www.be-connected.com)

LIZ INVEST (the “Company”) warrants the KODAK Security Camera & KODAK Smart Alarm System (the “Product”), and only the Product, against defects in materials and workmanship under normal use for a period of two-years from the date of purchase by the original purchaser (“Warranty Period”).

- When a Product is replaced, any replacement item becomes your property and the replaced item becomes Company property.
- When a product is replaced, this does not extend the warranty duration. The warranty only starts when the first product was originally purchased and will end within two years after the purchase of the original/first product.
- Any products purchased from other distributors, retail stores, or online stores must be returned to the original purchased place within the warranty period. Please contact your reseller for warranty services.
- It is your responsibility to backup any information, data, or other items you may have stored on the Product. LIZ INVEST will not be responsible for any such damage or loss.
- For any technical support, visit our website **[www.be-connected.com](http://www.be-connected.com)** to download complete user manuals, view installation videos or check FAQ. You can contact us through **[support@be-connected.com](mailto:support@be-connected.com)**

The camera must not be installed in a location where the lens filter is exposed to scratching and dirt.

- Do not expose the lens to direct sunlight or any reflective light source.
- Do not install near acid chemicals, ammoniac or a source of toxic gas emissions.
- The camera must be installed and used in compliance with local legislation

## MAINTENANCE AND CLEANING

- Always unplug the product from the mains before carrying out any maintenance.
- Never use abrasive or corrosive substances to clean the products.
- Use a soft, slightly damp cloth.
- Never use an aerosol to spray the product as this may damage the internal workings.

## RECYCLING

This logo indicates that devices which are no longer in use must not be disposed of as household waste. They are likely to contain hazardous substances which are dangerous to both health and the environment. Return the equipment to your local distributor or use the recycling collection service provided by your local council.

Liz Invest hereby certify that product with CE Marking comply with the following Directive issued by the Commission of the European Community.

EMC Directive	(2014/30/EU)
Low Voltage Directive	(2014/35/EU)
Red Directive	(2014/53/EU)
RoHS Directive	(2014/65/EU)

Compliance with these directives implies conformity to the following European testing standards  
EN55032: 2012+AC: 2013; EN61000-3-2:2014; EN61000-3-3:2013; EN55024:2010+A1:2015  
EN60950: 2006+A11: 2009+A1:2010+A12+ 2011+A2: 2013  
EN300 32t8 V2.1.1.(2016-11)  
EN62321:2009
