

# ASUS ZenBook S13

Power and beauty, evolved

13.9" For Executives | Entrepreneurs

## The worlds' slimmest bezels and largest screen-to-body ratio

The four-sided frameless NanoEdge display on ZenBook S13 is a true masterpiece. It features the world's slimmest bezels – measuring a barely-there 2.5mm at the sides – and the world's largest screen-to-body ratio

13.9"

Powered by 8<sup>th</sup> generation Intel Core i7 processor. Intel's most powerful processor for what's coming.

Intel, the Intel Logo, Intel Inside, Intel Core, and Core Inside are trademarks of Intel Corporation or its subsidiaries in the U.S. and/or other countries.

## The world's most compact 13.9" laptop

The advantage of slimmer bezels isn't just visual: they also help reduce the overall size of ZenBook S13. So despite its larger 13.9-inch NanoEdge display, ZenBook S13 actually has a 12.5%-smaller footprint than previous 13.9-inch models! More beauty and power in less space – what's not to like about that?

12.5%

smaller than previous 13.9" models

## The world's slimmest laptop with discrete graphics

With ZenBook S13, small size is no obstacle to performance: it's built to get things done as quickly and efficiently as possible, with no fuss or drama. The very latest Intel Core processors are now even faster for smooth and responsive performance whatever you're doing, and discrete NVIDIA graphics deliver all the visual horsepower you need for demanding creative tasks. With no compromises on connections, ZenBook S13 offers the convenience of standard USB 3.1 Gen 2 Type-A port, two USB-C™ that support fast charging, data transfers and external displays and also a microSD card reader.

## Power and beauty, evolved

All this power is contained in an incredibly compact and light aluminum unibody weighing 1.1kg and CNC-milled for added strength, enabling ZenBook S13 to meet the military-grade MIL-STD-810G durability standard. Coming in slim, sleek and in the new Utopia Blue color, ZenBook S13 is the perfect balance of performance and beautiful aesthetics for those who want a powerful yet stylish notebook.

## ASUS ZenBook S13 UX392FN/FA

- The latest Intel® Core™ up to i7 Processor
- Windows 10 Home / Windows 10 Pro
- Up to powerful MX150 discrete graphics
- Ultra thin and light: approx. 1kg and just 12.9mm thin
- Up to 16GB LPDDR3 2133MHz RAM
- Up to 1TB PCIe SSD
- Stylish in a gorgeous colors – Utopia Blue
- The worlds' slimmest bezels and largest screen-to-body ratio
- 13.9" 16:9 FHD (1920 x 1080) NanoEdge display with 97% screen to body ratio
- 178 wide viewing angle with 100% sRGB and 71% NTSC color gamut support
- ASUS Tru2Life Video Technology for 150% sharper video output
- Interface: 1 x USB 3.1 Gen2 Type-A, 2 x Type-C™ USB 3.1 Gen 2, 1 x MicroSD card reader
- Backlit keyboard with 1.4mm travel distance
- Precision touchpad with fingerprint sensor
- Dual-Speaker array design with Harman Kardon Audio Technology
- Dual-band 802.11ac gigabit-class Wi-Fi, built-in Bluetooth™ V5.0
- 2 years global warranty
