

EH-TW9200W

DATASHEET

For truly powerful and immersive home cinema experiences, this FullHD 3D projector with 3LCD technology is your ticket to transporting the magic of cinema into your own home. Packed full of high-end projector technology, such as wireless FullHD connectivity and unbelievably high 600,000:1 contrast ratio in 2D and 3D mode, this is the perfect way to enhance your home cinema experience.

WirelessHD

The EH-TW9200W allows you to watch your favourite films without connecting wires or installing cables¹ – simply connect your WiHD device directly to the projector or plug your non-WiHD devices into the WirelessHD transmitter. With the HDMI-MHL port, you can also connect and play videos, music and photos from your smartphone or tablet.

3LCD projector

Enhanced by Epson's 3LCD panels, the EH-TW9200W provides superb high-quality images and rich, deep blacks for a wide variety of content. An equally high White and Colour Light Output of 2,400 lumens and ISF certification mean you can watch the latest films with bright and accurate colours in a variety of light levels.

Easy set up

The wide lens shift, powerful zoom lens, automatic vertical keystone correction and centred lens make it quick and easy to set up in a variety of positions, without picture blurring or distortion.

3D Home Cinema

You can watch bright 3D content with Epson's luminance enhancement technology and lightweight, rechargeable Radio Frequency (RF) active shutter 3D glasses². Also, the projector easily converts 2D high definition films into 3D, allowing you to experience even more 3D content.

Sharp, clear projections

Epson's Super-Resolution technology and Frame Interpolation create a sharp, clear viewing experience with smooth, fluid screen movement for enjoyable entertainment in both 2D and 3D.

KEY FEATURES

- **Bright output**
2,400lm White and Colour Light Output
- **Very deep blacks**
600,000:1 contrast ratio
- **Wireless FullHD**
Transmitter with 5 HDMI inputs
- **High quality images**
