Lenovo V130-15 LAPTOP

REMARKABLE VALUE. IMPRESSIVE RESULTS.

Value-conscious without compromising on performance, this stylish and reliable 15-inch laptop helps you focus on driving business success. Built to last, the V130-15 comes with Intel® Core™ Processors. With impressive design and built-in security, the V130-15 is ideal for business needs.

Stylish Design: with a sleek design and special pattern exterior, a one-piece touchpad, and a 180° hinge, it is impressive at first sight. It comes in Iron Grey.

SSD: along with optional dual drive and the latest processors, handle large files, images, and videos with ease.

FHD Display: in brightly-lit rooms or outdoors in the sunlight, the anti-glare FHD display is easy on the eyes.

Spill-Resistant Keyboard: ensures there is no damage to the system in case of spills, and the comfortable keyboard ensures a superior typing experience.

TPM 2.0 firmware and Secure camera: TPM 2.0 prevents tampering with the hardware, and the mechanical camera shutter ensures privacy when needed.

ITDM Benefits

The Lenovo V130-15 laptop is built for simple setup and management, making it easy for IT to deploy and control.

The camera shutter and TPM 2.0 firmware provide simple solution for data security, while the dual drive option provides better performance and end-user satisfaction.
