imagine IT

putting the world at your fingertips

World Class Performance

The P560 features state of the art Intel® Centrino® 2 processor technology, which delivers unrivalled system performance, enhanced energy efficiency and advanced connectivity to keep you working longer.

Sharper Display

Conventional LCD

Super Bright Gloss LCD

The P560's 15.4" WXGA, (1280 x 800) SuperBright® non-gloss LCD screen provides up to 30% more viewing area than traditional screens and allows you to enjoy photo-like image quality, greater viewing angles and better text legibility, reducing eye strain and, therefore, increasing productivity.

Tough yet beautiful

Sleek design belies inner strength. Reliable and robust, the P-Series boasts a light-yet-tough rubberised chassis and non-slip casing, making the P560 well-equipped for portable working. As a result, this notebook is more than capable of withstanding the inevitable hardships of life on the move, which all translates into a measurably lower Total Cost of Ownership.

The **Samsung P560** is the ideal choice for business users who thrive on maximum mobility. Designed to withstand the rigours of today's 24 hour, non-stop lifestyle, it delivers the best in high performance functionality and leading-edge technology, all safely protected within its extremely sleek and rugged casing.

Drawing on Samsung's proven track record of manufacturing excellence, the P560 effortlessly unites the ultimate in reliability and design with the best in digital technology for work, communications and multimedia. So, your notebook will deliver long-lasting style, performance and value, whatever life throws at you – putting the world at your fingertips.
